

MELISSA POWERS
Jeffrey Bain Faculty Scholar and Professor of Law
Lewis & Clark Law School

3120 SE Sherman Street
Portland, OR 97219

(503) 998-5245
melissapowers22@gmail.com

CURRENT POSITION

Lewis & Clark Law School, Portland, Oregon

Jeffrey Bain Faculty Scholar and Professor of Law, 2008-Present

Director and Founder, Green Energy Institute, 2013-Present

Fulbright-Schuman European Affairs Scholar, 2014-2015

Honors: Leo Levenson Award for Excellence in Teaching, 2012

Jeffrey Bain Faculty Scholar since 2013

University of North Carolina, Center for Law, Environment, Adaptation, and Resources,
Environmental Scholar of the Week, March 2013

Courses: Climate Change Law, Electricity Regulation, Renewable Energy Law and Policy, Clean
Air Act, and Administrative Law (current)

International Environmental Law, Ocean and Coastal Law, and Torts (previously taught)

Affiliations: Center for Progressive Reform, Member Scholar

Environmental Law Collaborative, Board Member

Transnational Environmental Law, Book Review Editor

Multnomah County Advisory Committee on Sustainability and Innovation, Member

IUCN Academy of Environmental Law, Former Governing Board Member and Research
Committee Co-Chair

Visits: University of Trento, Trento, Italy (2010-present, annual three-week course)

Kangwon National University, Chuncheon, Korea (summer 2018)

University of Navarra, Pamplona, Spain (spring 2011, three-week course)

University of Maine School of Law, Portland, Maine (spring 2007)

EDUCATION

Northwestern School of Law of Lewis & Clark College, Portland, Oregon

J.D., with Environmental and Natural Resources Certificate, *magna cum laude*, May 2001

Class Rank: 4; Top 3%

Dean's Scholar List

Natural Resources Law Institute Leadership Award

Natural Resources Scholarship

Steven Manas Scholarship

Cornelius Honor Society

Finalist (2001) and quarterfinalist (2000), National Environmental Moot Court
Competition

Best Oral Advocate and Best Brief, 1L Legal Analysis and Writing Course

University of California at Berkeley, Berkeley, California

B.A., Environmental Sciences, December 1992

Dean's List, 1989-1990

OTHER LEGAL EXPERIENCE

Lewis & Clark Law School, Portland, Oregon

Clinical Professor of Law, Pacific Environmental Advocacy Center, 2003-2008

Activities: Co-taught clinical seminar; supervised students in environmental litigation clinic, with focus on federal pollution control cases filed on behalf of environmental organizations in federal courts. Served as first chair in majority of cases.

Western Environmental Law Center, Eugene Oregon

Attorney, July 2001-July 2003

Activities: Litigated environmental cases in federal court on behalf of environmental organizations, with a focus on U.S. pollution control statutes; supervised University of Oregon students participating in environmental litigation clinic.

SELECTED PRESENTATIONS

Academic Presentations

The Future of Climate Change Standing, University of Colorado Works-in-Progress Workshop, Boulder, CO (Aug. 2021).

Facing the Worst Climate Case: The Role of Law, Environmental Law Collaborative Meeting, Colorado Springs, CO (July 2021) (joint presentation).

Natural Gas Lock-in, Environmental Professors Works-in-Progress Workshop (organized by Mike Pappas, University of Maryland) (Apr. 2021).

Beyond Gas, University of Kansas Clean Energy Symposium, Lawrence, KS (Oct. 2020).

The Limits of Forest and Agricultural Offsets in Emissions Trading Programs, Lewis & Clark Animal Law Conference, Portland, OR (Oct. 2020).

The U.S. Energy Transition: Lurching Towards Decarbonization?, Korea Legislation Research Institute, Seoul, Korea (Nov. 2019).

Teaching Climate Change Law Without Despair, Vermont Environmental Law Teaching Conference, University of Vermont Law School, South Royalton, VT (June 2019).

Stranded Assets, The Energy Transition, and Sustainable Development Goals, IUCN Academy of Environmental Law Colloquium, Kuala Lumpur, Malaysia (Aug. 2019).

Climate Litigation in the Trump Era, Keynote Lecture, Rocky Mountain Mineral Law Foundation Natural Resource Law Teachers' Institute, Missoula, MT (May 2019).

Competitive Transmission Development, Environmental Law Symposium, Lewis & Clark Law School, Portland, OR (Apr. 2019).

Energy Policy Panel Discussion, Texas Environmental Law Journal Symposium, University of Texas, Austin, TX (Mar. 2019).

Federal Environmental and Natural Resource Laws: Where Do We Go from Here?, Environmental Law Collaborative Workshop, Essex, MA (July 2018) (joint presentation).

The End of Coal in the United States, Kangwon National University Coal Workshop, Chuncheon, South Korea (July 2018).

Effective Energy Governance in an Age of Transition, IUCN Academy of Environmental Law Colloquium, University of Strathclyde, Glasgow, Scotland (July 2018).

Electricity and the Trump Administration, Environmental Law Under the Trump Administration Symposium, Lewis & Clark Law School, Portland, OR (Apr. 2018).

Energy Law & Policy in the Age of Trump, Center for Progressive Reform, San Diego, CA (January 2018).

The Western Energy Transition: A Strategic Way Forward, Women in Energy Symposium, University of Colorado, Boulder, CO (Oct. 2017).

Teaching Comparative Climate Change Law, Rocky Mountain Mineral Law Foundation Natural Resources Law Teachers' Institute, Banff, Canada (May 2017) (panel discussion).

Oregon's Energy Governance, Green Business Initiative Symposium, University of Oregon, Portland, OR (Apr. 2017).

Quick Fixes or Real Remedies? Faculty Colloquium, Cardozo Law School, New York, NY (Mar. 2017).

Local Climate Law: Lessons from Portland, Municipal Climate Law Symposium, University of Connecticut, Hartford, CT (Mar. 2017).

An Inclusive Energy Transition, Clean Energy Symposium, University of North Carolina, Chapel Hill, NC (Feb. 2017).

Grid Access in the West, Western Energy Transition Symposium, University of San Diego, San Diego, CA (Nov. 2016).

Energy Governance in an Age of Transition, Energy Transition Workshop, Oxford University and University of Minnesota, Oxford, England, UK (July 2016).

Standing and Climate Change, IUCN Academy of Environmental Law Colloquium, Oslo, Norway (June 2016).

The Risks and Opportunities of a State Measures Approach under the Clean Power Plan, Road to Paris Workshop, University of Minnesota, Minneapolis, MN (Oct. 2015).

Is that All There Is?: The Surprising Value of Unenforceable Local Climate Action Plans, Sustainability Conference of American Legal Educators, Arizona State University, Tempe, AZ, (May 2015).

The Electricity Transition: What the United States and European Union Can Teach Each Other, Universitat Rovira i Virgili, Tarragona, Spain (Mar. 2015).

Renewable Energy Policy in Denmark: Lessons for Europe and the United States, Fulbright Annual Meeting, U.S. Embassy in Brussels, Belgium (Feb. 2015).

The Transformation of the U.S. Electricity System, University of Copenhagen, Denmark (Oct. 2014).

The Great Beyond: The 'Beyond Coal' Campaign & Transformation of the U.S. Electricity System, Environmental Law Association, Johannesburg, South Africa (Oct. 2014).

Understanding the U.S. Legal System, Northwest University, Potchefstroom, South Africa (Oct. 2014).

Water Rights, Water Wrongs, and Hydraulic Fracturing in the United States, University of Witwatersrand, Johannesburg, South Africa (Oct. 2014).

You Can't Have it All: The False Promises of the U.S. 'All-of-the-Above' Energy Policy, University of Witwatersrand, Johannesburg, South Africa (Oct. 2014).

International Renewable Electricity Standards: Breaking the Climate Logjam and Expanding Renewable Power Across the Globe, University of Witwatersrand, Johannesburg, South Africa (Oct. 2014).

The U.S. Experience with Hydraulic Fracturing, University of Cape Town, South Africa (Oct. 2014).

International Renewable Electricity Standards: Breaking the Climate Logjam and Expanding Renewable Power Across the Globe, IUCN Academy of Environmental Law Colloquium, Universitat Rovira i Virgili, Tarragona, Spain (July 2014).

Don't Believe the Hype: The Limits of U.S. Feed-in Tariffs under PURPA, University of San Diego Law School, San Diego, CA (Nov. 2013).

Water Quality Protection and Energy Exports: A Proxy Battle Over Offshore Carbon Emissions?, Symposium, University of Richmond Law School, Richmond, VA (Oct. 2013).

The Rise of Renewables: Completing the Transition to Renewable Power, IUCN Academy of Environmental Law Colloquium, University of Waikato, Hamilton, New Zealand (June 2013).

The Fallacy of An "All-of-the-Above" Energy Policy, Faculty Colloquium, University of Santa Clara Law School, Santa Clara, CA (Feb. 2013).

The Fallacy of An "All-of-the-Above" Energy Policy, Environmental Scholarship Colloquium, Vermont Law School, Royalton, VT (Oct. 2012).

Climate Change Law, 2012 Environmental and Natural Resources Law Seminar, Federal Judicial Center and Lewis & Clark Law School, Portland, OR (Sept. 2012).

The Fallacy of An "All-of-the-Above" Energy Policy, IUCN Academy of Environmental Law Colloquium, Baltimore, MD (July 2012).

Generations of Environmental Law, AALS Mid-Year Meeting, Berkeley, CA (June 2012).

Small is (Still) Beautiful, Designing U.S. Energy Policies to Promote Local Renewable Energy Generation, Wisconsin International Law Journal Symposium, Renewable Energy and Climate Change, University of Wisconsin, Madison, WI (Mar. 2012).

U.S. Municipal Climate Plans: What Role Will Cities Play?, Workshop on Local Climate Law, University of British Columbia, Vancouver, British Columbia, Canada (Oct. 2011).

Climate Change Law, 2011 Environmental and Natural Resources Law Seminar, Federal Judicial Center and Lewis & Clark Law School, Portland, OR. (Sept. 2011).

Power from the People, Local Energy Production, Journal of Environmental Law and Litigation Symposium: The Local Revolution, University of Oregon, Eugene, OR (Sept. 2011).

Grandfathered Imbalance, Environmental Law Professors Scholarship Colloquium, Vermont Law School, South Royalton, VT (Sept. 2011).

Clean Water Act Permitting Integrity and the Avoidance of Regulatory Capture, IUCN Academy of Environmental Law Colloquium, South Africa (July 2011).

Reconsidering Renewable Fuels: Designing Renewable Fuels Standards that Will Reduce Greenhouse Gas Emissions and Protect the Food Supply, IUCN Academy of Environmental Law and University of Ottawa Biofuels Conference, Ontario, Canada (June 2011).

Power from the People: Distributed Generation, State Power, and Federal Preemption, Rocky Mountain Mineral Law Foundation, Natural Resources Law Teachers Institute, Stevens, WA (May 2011).

Grandfathered Injustice, IUCN Academy of Environmental Law Human Rights and the Environment Workshop, University of Ghent, Belgium (June 2010).

Separating the Wheat from the Chaff: The Federal Courts' Role in Preventing the Spread of Invasive Species, Colloquium, IUCN Academy of Environmental Law, University of Ghent, Belgium (June 2010).

Domestic Efforts to Pass Climate Change Legislation, Southeastern Association of Law Schools Annual Meeting, Palm Beach, FL (June 2010).

U.S. Biofuels Policy, Biofuels Workshop, York University, Toronto, Canada (May. 2010).

Closing Remarks, Clean Air Act at a Crossroads Conference, Lewis & Clark Law School, Portland, OR (Apr. 2010).

Grandfathered Injustice, Lewis & Clark Law School Faculty Colloquium, Portland, OR (Mar. 2010).

King Corn: Will the Renewable Fuel Standard Eventually End Corn Ethanol's Reign?, Vermont Law School, South Royalton, VT (Feb. 2010).

Copenhagen Climate Negotiations, Lewis & Clark Law School, Portland, OR (Jan. 2010).

The New U.S. Renewable Fuel Standard, IUCN Academy of Environmental Law Biofuels Workshop, Wuhan, China (Nov. 2009).

Constitutional Limitations of Regional Cap-and-Trade Agreements, University of Oregon Climate Change Symposium, Eugene, OR (Oct. 2009).

The Cost of Coal: Climate Change and the End of Coal as a Source of "Cheap" Electricity, University of Pennsylvania, Philadelphia, PA (Sept. 2009).

Fuel, Food and Farms: U.S. Biofuels Policy and the Food Crisis, IUCN Academy of Environmental Law Colloquium, Mexico City, Mexico (June 2008).

Beyond Cap and Trade: Embracing Technology-Based Standards in the Development of an Effective, Efficient, and Enforceable Climate Change Law, IUCN Academy of Law Colloquium, Paraty, Brazil, (July 2007).

Down From the Mountain: The Uncertain Future of the Mountaintop Mining 'Fill Rule' in Light of Southeast Alaska Conservation Council v. United State Army Corps of Engineers, University of Maine School of Law Faculty Scholarship Exchange, Portland, ME (Apr. 2007).

Mechanisms for Public Involvement in Environmental Compliance Enforcement, IUCN Academy of Law Colloquium, White Plains, NY (Oct. 2006).

Lessons from the Montreal Protocol: How the Successes and Failures of the Treaty Governing Ozone Depleting Substances May Inform Future International Climate Change Agreements, IUCN Academy of Law Colloquium, Sydney, Australia (July, 2005).
